JOINT STIPULATION AS TO FOUNDATION FOR PHOTOGRAPHS

The parties, by and through their undersigned attorneys, hereby stipulate and agree to the following, alleviating the necessity for the United States to require testimony to establish the chain of custody, authentication and foundation for the items discussed below. This stipulation does not extend to the relevance of the evidence listed below. The parties stipulate that the following photographs are authentic, and that no chain of custody or foundational witnesses need to be called to testify as a predicate to their admissibility in evidence:

1. Photos taken during the execution of the search warrant at 258 and 260 Lane 10, Powell, Wyoming on March 31, 2022, by Investigative Analyst Cinthia Saenz and specifically detailed in the attached "Evidence Photo Log" (Exhibit 1).
2. Photos taken during the execution of the search warrant at 258 and 260 Lane 10, Powell, Wyoming on March 31, 2022, by Aaron Heinrichs and more specifically detailed in the attached "Photographic Record" (Exhibit 2).
3. Photos taken during the execution of the search warrant at 258 and 260 Lane 10, Powell, Wyoming on November 8, 2022, by SA Nadeau and LEO Bagley and more specifically detailed in the attached "Law Enforcement and Investigations Photographic Record" (Exhibit 3).
4. Photos taken by LEO J. Mack on November 21, 2022 of the hip of the horse identified as Reo and attached as Exhibit 4.

The above listed items, if presented to the jury, may be admitted through a witness who may have knowledge of this evidence either through this stipulation or any other relevant witness who may have knowledge of the evidence. The parties reserve the right to object to admission of these evidentiary items on other evidentiary bases such as relevance.

DATED this 21 day of November, 2023.
